2. Declaration – My Own Algo Development

I/We understand that a Tech-Savvy Retail Investor, for the purpose of the applicable SEBI and Exchange guidelines, is a retail investor who develops their own trading algorithms using programming knowledge.

I/We hereby confirm that:

A. I/We have programming knowledge and personally develop my/our own trading algorithms (Algos) using such knowledge.

B. The Algo for which I/we am/are availing the Static IP facility is developed by me/us and is not merely an Algo developed by a third-party provider which I/we purchase, subscribe to or use.

I/We understand that since I/we develop my/our own Algos using programming knowledge, I/we shall have no recourse to the Investor Grievance Mechanism of the Stock Exchange in the event of losses incurred on account of the logic of the Algo used.
